Software Engineering Intern

What is full-text search?

Full-Text Search **Off**

The screenshot displays the Databricks workspace interface. On the left is a dark sidebar with navigation icons and labels: 'databricks', 'Home', 'Workspace', 'Recent', 'Tables', 'Clusters', 'Jobs', and 'Search'. The main content area is divided into three sections. The top section is titled 'Welcome to Databricks (Python)' and includes an 'Import Notebook' button. The middle section, 'Databricks Overview', lists various features: 'Product Overview', 'Clusters', 'Cluster Autoscaling', 'Workspace', 'Notebooks', 'Notebook Workflows', 'Widgets', 'Libraries', 'Dashboards', 'Jobs', 'Tables', and 'Users'. The 'Users' item is highlighted with a yellow box. The bottom section, 'Getting Help', provides instructions on how to access help and includes a search bar for the 'Search guide & forum'. The top right corner of the interface shows the 'Full-Text Search Off' status.
